Dear Parents/Carers

**New Milton Christmas Festivities December 3rd 2016
Samba Performance**

After our wonderful playing for the Paralympic athletes earlier this month, the School Samba Band has been asked to perform during the New Milton Christmas Procession on Saturday 3rd December.

We will be in a static position near 'Boots the Chemist' in the main street and play as the procession arrives and the Christmas lights are switched on.

The players need to meet in position by 4:15pm and will be free to go after the 'switch on' at 5pm.

I would ask that players wear warm, appropriate clothing with Christmas trimming.

You would be responsible for dropping off and collecting the players, and I trust, would be there to support another, high profile, performance opportunity.

Please complete the slip and return it as soon as possible.

Yours faithfully

Mr G Thew
