Dear Parents/Carers

Baby welcoming

Please can you talk to your child about how you celebrated when they were born? Did you have a party, christening or naming ceremony? The children will need to be able to talk about it on Friday.

Did your child have anything special when they were born, e.g. a blanket, toy, baby book? It would be lovely if they could bring these in to show the rest of the class on Friday (please ensure all items are named).

Finally, if they have not already completed their new baby fact sheet please can you do this with them? We have spare copies in school.

Many thanks
The Year 3 team
