

Wednesday 5th October 2016

Dear Parents / Carers

Year 4 Intech Science Museum Trip - Thursday 10th November 2016

As part of their study of Sound, Year 4 will be visiting the Intech Technology Centre in Winchester, Hampshire on **Thursday 10th November 2016**. At the museum, the children will have the opportunity to experience hands-on science and find out more about Sound and other interesting Science topics.

We will be travelling by coach. Children need to be in school for **08.45am** as we will leave promptly at 9am. The children will be back in time for the end of the school day.

Children will need to bring a packed lunch and a drink (no glass bottles or cans and no fizzy drinks please. No sweets). Please also note:

- Children need to wear full school uniform.
- Children must bring a coat as it is likely to be cold
- Children will not have the opportunity to visit the shop, so please don't let your child bring in any money.
- If your child suffers from travel sickness, please provide any medication your child may need in a named container with instructions on how and when to give it. Please also ensure you sign a permission slip (available from the School Office) so that we can administer travel medication for the return journey.

The school will require a voluntary contribution of **£14.00 per child**. This covers entrance and coach costs. Please make payment via your child's online account www.scopay.com. As this contribution is voluntary, neither you nor your child will be treated differently if you are unable to contribute. **However, please note that without all such voluntary contributions, this visit may have to be cancelled, as the school is not in a position to provide further financial support.**

As you have already signed the annual trips consent form there is no need to send in a permission slip for this trip. We will, however, need some parent helpers, so if you can help on the trip please let us know on the slip below.

Yours faithfully

The Year 4 Team

YES I can help on the Year 4 Intech Science Centre Trip November 2016
