

13th July 2017

Dear Parent/Carer,

**Re: Year 6 Farewell Celebration Assembly**

With just a few days now remaining for your child at AJS, I thought I would write and let you know the plans for the last week.

We are very much looking forward to the production which will be performed on Wednesday 19th July. I hope you have purchased your tickets and remembered that we have an after show party with drinks and cake that will finish at 8.30pm.

The last day of term is always an emotional one. Recently children have wanted to have their shirts signed by staff and each other. **This will only be allowed if they bring in a spare shirt for signing.** We have our **Farewell Celebration Assembly at 2.00pm on Friday 21st July** and we want everyone looking smart. At this assembly we distribute awards for exceptional efforts in a number of areas and focus on our year 6. Each child will receive a gift from the Parent's Association and we get an opportunity to celebrate all their achievements and send them off with our best wishes. We hope that you will be able to attend this occasion as you are such an integral part of their journey through Primary School. Restrictions on space mean we can unfortunately only allow 2 places per family. Please complete the form below so we have an indication of the numbers who will be attending.

The children are emotionally charged at the moment. It is an exciting but complex period in their lives and they will need support from all of us to make sure the transition is as smooth as possible and they end their time at AJS well. They have achieved great things in their time here and we look forward to celebrating them as they move on to their next phase.

Yours sincerely,
