

10th February 2017

Dear Parent/Carer,

Re: Year 3 Home Learning and Assessments

The children will be undergoing assessments next week. This is part of the cycle of assessments we make to ensure children are progressing and to diagnose any areas that we need to develop or improve upon.

There are a range of assessments:

- Spelling
- Mathematics
- Grammar and punctuation
- Reading.

Children will, of course, be supported appropriately throughout and there is absolutely no need to be anxious in any way about the assessments.

Because of the assessments we will not be setting any spellings this week or during half term. However, a reminder that there is still other learning that should be completed:

- The 'Robot Project' is due in the first day after half term. We have been thrilled with the quality and care in the ones that have already been completed. This is a terrific opportunity to let imaginations and creativity lead in different directions and show a depth in understanding. There is a celebratory event for parents on **Wednesday 1st March, 9.15 – 10.30am.**
- Daily reading and responses in the Reading Journals are very important and should be continued.

If you wish to discuss any of the contents of this letter please do not hesitate to contact us.

Yours faithfully,

The Year 3 Team
