

21st November 2016

Dear Parent / Carer

We are writing to inform you of an exciting workshop that we have planned for year 6 Wednesday 25th January 2017 as part of our rainforest topic in the new year.

We are inviting in the Creature Teachers who hold several animal care qualifications, a zoology degree and an animal behaviour Masters. The Creature Teachers guarantee an entertaining, educational, and bespoke creature encounter that will have everyone getting a 'hands on' and up close experience with creepy crawlies, reptiles, mammals and birds.

The creature encounter aims to educate children on how to interact gently and respectfully with animals, while they learn all about each creature's special talents with a particular focus on rainforest animals.

All encounters will include hands on opportunities with creepy crawlies, reptiles, mammals and birds.

To cover the cost of this event we are asking for a small contribution of £2.40. Please may payment via your child's online account www.scopay.com . As this contribution is voluntary, neither you nor your child will be treated differently if you are unable to choose not to contribute. **However, please note that without all such voluntary contributions, this event may have to be cancelled, as the school is not in a position to provide further financial support.**

Thank you.

The Year 6 Team.
