

Thursday 6th April 2017

Dear Parents / Carers

Year 3 Hengistbury Head Day Trip Thursday 8th June 2017

To celebrate the start of our topic about rocks, soils and coastlines we are going to visit Hengistbury Head on **Thursday 8th June**. As part of this trip we will be looking at the effects of humans and erosion on the local coastline, the different types of rocks and soils found in the area and we will also be going on a scavenger hunt.

As the weather in Britain is often unpredictable, the children will need to bring **sun hats and sun cream** for sunshine and also a **rain coat** in case we have bad weather. We ask that all children come in **school PE kit** and that they wear **sensible shoes**. You are welcome to pack a bucket and spade for your child, although this is not compulsory. The children will need to be at school by **8.45am** to leave promptly at 9am and they will return at **3:30pm**.

The children will **not** need to bring any money with them on the trip.

All children will need to bring a packed lunch and plenty to drink. If your child is entitled to free school meals a picnic bag will be provided (unless the office is informed to the contrary).

The voluntary cost of the trip will be £10.00. This includes the cost of the coach, Noddy Train and an ice cream. This contribution is voluntary however without your support this trip cannot take place. Please make your contribution online via your child's account www.scopay.com by **24th April 2017**.

There is no requirement for Parent/Carer signature on this letter as you kindly completed the 'annual consent form for schools trips and off-site activities'. However, if you can help on this trip we would love to hear from you! Please complete the form below if you can help.

Many thanks

Year 3 Team
