Dear Parent/Carer

CONSENT FORM FOR SCHOOL TRIPS AND OTHER OFF-SITE ACTIVITIES 2016

Throughout the coming year your child will have the opportunity to take part in trips and visits off the school site. These trips and visits are all carefully planned and are all approved by the Headteacher. Each trip is designed to enrich your child's learning and will be relevant to the part of the curriculum they are currently studying.

This annual trips consent form saves you and the school time by giving parental consent to these visits in advance.

Please be assured that parents will still be sent full information about each trip or activity before it takes place. All visits that involve adventurous activities, residential elements or environmental hazards (e.g. coastal fieldwork) will also still require specific, informed consent from parents. Forms will be sent to parents as appropriate with respect to such visits.

Please read, sign and return the consent form (see overleaf) to the School Office.

Yours faithfully

Ian Rix
HEADTEACHER
