

## English

### Narrative

Meet Bradley Chalkers, the main character in our class book, "There's a boy in the girls' bathroom." We shall be using him as a stimulus for quality narrative writing.

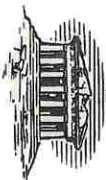

Next, we shall be going back in time to the Ancient Greeks where we shall read about famous Greek heroes. We shall be writing our own myths and fables.

## Art/Design Technology

### Perspective

We shall look at Greek architecture and then develop their drawing skills considering perspective using a vanishing point.

We will make a clay bust of Medusa in our workshop session.

## Science

### To infinity and beyond!

We shall learn about our solar system focusing on planet Earth and the moon.

## Computing

### "We are artists"

We shall learn safe internet practice and how to search using search engines. We will also consider the reliability of the content and learn how to protect personal information.

## French

We will be producing a booklet entitled "All about me." We will also learn how to greet each other and some French numbers.

# Eureka!

## Maths

We will start the year focusing on place value and the value of each digit in a number. We will be covering two number operations: addition and subtraction. After lunch we will be keeping our skills sharp by practicing our number bonds to 10, 20 and 100 (and beyond!).

## R.E.

### God Talk:

We shall explore our feelings about who God is and consider other faiths' interpretations.

## History

### Ancient Greeks:

We shall find out who the Ancient Greeks were and how they continue to influence our lives today.
