

**Ashley Junior School**

## **ASHLEY JUNIOR SCHOOL**

This policy will be used from 1<sup>st</sup> September 2017, including in-year admissions. It will be used during 2016-17 for allocating places for September 2017 as part of the normal admission round for Year 3.

### **ADMISSIONS POLICY 2017**

## ADMISSIONS POLICY 2017

Ashley Junior School is a Foundation School catering for both boys and girls in the Key Stage Two range between the ages of seven and eleven. It has a published admission number of 60. The governing body, when dealing with admission applications will consider the school oversubscribed in any year group when the number of pupils reaches this number.

In line with Hampshire County Council's co-ordinated scheme for the main admission round, the governing body will consider all preferences simultaneously and ranked in accordance with the admission criteria. Late applications will not be considered until all on time applications have been fully processed.

Ashley Junior School recognises its responsibility towards children with special educational needs and will admit any pupil whose final statement of Special Educational Needs or Education Health Care Plan names the school.

### Over-subscription

If the school becomes over-subscribed, in a particular year group, the governing body will decide on admissions according to the following oversubscription criteria:

1. Looked after children or children who were previously looked after (see (i) in Definitions)
2. Children who have a serious medical, physical or psychological condition which makes it essential that they attend Ashley Junior School rather than any other and for whom appropriate medical or psychological evidence can be provided in support of their application.
3. Children living within the area recognised as Ashley Junior School's designated catchment area (see (ii) in Definitions) who at the time of application have a sibling (see (iii) in Definitions) on the roll of the school or Ashley Infant School who will still be on roll at the time of admission. [See 6 for additional children who may be considered under this criterion.]
4. Children allocated a place at Ashley Infant school in the normal admission round in a previous year because no places were available at the catchment school for their address, and they have not moved house.
5. Other children living in the catchment area of the school.
6. Children living **out** of the catchment area of the school who at the time of application have a sibling (see (iii) in Definitions) on the roll of the school or Ashley Infant School who will still be on roll at the time of admission. [Where a sibling was allocated a place at the school or Ashley Infant School in the normal admission round in a previous year because no places were available at the catchment school for their address, the application will be considered under 3, above, subject to the address being the same for both applications. In future normal admissions rounds a younger sibling will be considered to have been displaced where they were allocated a place at the school or Ashley Infant School under this criteria as a consequence of their elder sibling's displacement and the address remains same.]
7. Children living **out** of the catchment area who at the time of application are on the roll of Ashley Infant School.
8. Children of staff (see (iv) in Definitions) who have, (1) been employed at the school for two or more years at the time at which the application for admission to the school is made, or (2) have been recruited to fill a vacant post for which there is a demonstrable skill shortage.
9. Other children.

## Definitions

(i) This criterion provides priority for children who are (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in section 22(1) of the Children Act 1989). It can also be used for children who were previously looked after but immediately after being looked after became subject to an adoption, residence, or special guardianship order. An adoption order is an order under section 46 of the Adoption and Children Act 2002 or section 12 of the Adoption Act 1976. A 'residence order' is an order settling the arrangements to be made as to the person with whom the child is to live under section 8 of the Children Act 1989. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).]

(ii) The child's permanent residence is where they live, normally including weekends and during school holidays as well as during the week, and should be used for the application. The permanent address of children who spend part of their week with one parent and part with the other, at different addresses, will be the address at which they spend most of their time.

(iii) 'Sibling' refers to brother or sister, half-brother or half-sister, adoptive brother or adoptive sister, foster brother or sister, step brother or step sister living as one family unit at the same address. It will also be applied to situations where a full, half or adopted brother or sister are living at separate addresses. Criteria 3 and 6 include children who at the time of application have a sibling for whom the offer of a place at the preferred school has been accepted, even if the sibling is not yet attending.

(iv) 'Staff' includes all those on the payroll of the school. 'Children of staff' refers to situations where the staff member is the natural parent, the legal guardian or a resident step parent.

## Tie-breaker

If the school is oversubscribed from within any of the above categories or subcategories, straight line distance will be used to prioritise applications; applicants living nearer the school have priority. Hampshire County Council's Geographic Information Systems (GIS) will be used to determine distances (normally from the Ordnance Survey home address point to the school reception). Distances to multiple dwellings will give priority to the ground floor over the first floor and so on. On individual floors, distances will be measured to the stairs leading to the communal entrance. If it still not possible to decide between two applicants who are equidistant then a random allocation will be made to allocate the final place. An explanation of the method of making random allocations is on the Hampshire County Council website.

## Additional Information

### 1. Pupils with a statement of special educational needs or an EHCP

The governors will admit any pupil whose final statement of special educational needs or Education, Health & Care Plan (EHCP) names the school. Where possible such children will be admitted within the PAN.

### 2. Multiple births

Where a twin or child from a multiple birth is admitted to a school under this policy then any further twin or child of the same multiple birth will be admitted, if the parents so wish, even though this may raise the number in the year group above the school's PAN.

### 3. In-Year Fair Access placements by the local authority

The local authority must ensure that all pupils are placed in schools as quickly as possible. It may therefore sometimes be necessary for a pupil to be placed by the local authority, or a local placement panel acting on behalf of the authority, in a particular school even if there is a waiting list for admission. Such placements will be made in accordance with the provisions of the local authority's In-Year Fair Access Protocol. The Protocol is based on legislation and government guidance.

### 4. School Closures

In the event of a school closure, pupils from the closing school may be given priority for any school nominated as the receiving school. Specific arrangements will be determined by the Local Authority in accordance with the School Admissions Code and will be published at the time for the specific schools affected.

**5. Waiting lists**

When all available places have been allocated, waiting lists will be operated by schools on behalf of the local authority. Any places that become available will be allocated according to the criteria of the admission policy with no account being taken of the length of time on the waiting list or any priority order expressed as part of the main admission round. Fair Access admissions and school closure arrangements will take priority over the waiting list.

**6. Admission of children outside their normal age group**

Parents can seek places outside their normal age group. Decisions will be made on the basis of the circumstances of each case; parents may be offered a place in another year group at the school.

**Learning Support Unit**

Admission to the Learning Support Unit is through reference to the Local Education Authority and their published formal assessment procedures. Appropriate advice can be sought from the Headteacher.
