Dear Parents/Carers

We are looking for some parents to help out during the mornings with children's reading. As you are no doubt aware, regular reading has been shown to improve children's achievements in all areas of the curriculum giving them confidence and enriching their lives for now and the future.

We would like our children to be able to read to an adult on a daily basis and would be grateful for any volunteers who could come into school between 9.00 –10.30 on one or more mornings each week.

We value all our volunteers at Ashley Junior School as it helps to build links between the home and school as well as the wider community and helps children achieve even more. Due to safeguarding procedures all volunteers will need to complete a DBS (Disclosure and Barring Service) and school checks.

If you would like to discuss this or need further information please do not hesitate to contact us.

Yours faithfully,

The Year Four Team
