

Wednesday 13th September 2017

Dear Year 3 Parents / Carers

Welcome to Year 3!

We would like to welcome you once more to Ashley Junior School.

Your child has had a few days to settle into the routines and expectations of the school and is, hopefully, sharing some of the fabulous learning opportunities the school has to offer, with you.

A letter should have arrived home inviting your child to attend some of the many after school clubs, and a quick response is vital if your child is to secure a place as they are given on a first come, first served basis.

Reading Journal

Your child will be getting used to the daily reading expectations for their Reading Journal. If you are unsure of the scheme please refer to the letter at the front of the journal.

Mathematics

Soon your child will be receiving their Mathematics password. The website is full of resources, games and activities which are fun, colourful and will promote sound number skills. Please go to the site if you wish to have a preview of what is on offer before they receive their log in details.

PE and Games

P.E. will be on Tuesday mornings and Thursday afternoons but we urge all children to keep their kit in school ready for impromptu sessions.

Spelling

Spelling homework will be set every Monday for testing the following Monday

The children should bring in water in a named water bottle for use in class. Fruit snacks are welcome but once again, please avoid any snack with high sugar levels including processed fruit products. They may have an alternative drink for lunchtime but no fizzy or high energy drinks please. Also we would like to remind all parents that earrings are not part of our school uniform and for Health and Safety reasons should not be worn in school by the children.

Please take the time to find our page on the Ashley Junior School website, where we will be updating information and sharing photographs to show our fabulous learning. Please find attached our Curriculum Web which outlines the learning objectives for our new topic 'Knowing Me, Knowing You.'

Please do not hesitate to come in and discuss any worries or concerns you may have.

Yours sincerely

Year 3 Team

Mrs Witney Miss Martin
