Hampshire Music Service Concert

We have a rich musical tradition in our school and promote music in all year groups through a variety of means. We want to expose children to all that music has to offer.

On Wednesday morning, the whole school were treated to a performance from a member of the Hampshire Music Service teaching staff.

Sierra gave us a lively, whistle-stop tour around the brass family of instruments. She explained the science and history behind the Trombone, Trumpet and French Horn, whilst at the same time entertaining the school with various film themes.

We encourage children to learn a musical instrument. Please remember that the school has a team of visiting instrumental tutors who can provide teaching across a range of musical instruments. Contact Mr. Thew if you require further information.

The Christmas Post Box will be in place from Monday 4th December.

Remember to address who the card is to and the recipient's class name.

There will be daily deliveries!
