What a Performance!

The Year 4 production of 'When Sasha got swept up the chimney' was performed three times this week. It really was a very special performance and had the audiences thrilled. Being in a production is a terrific learning experience. You have to learn lines, collaborate with others, reflect and adjust what you are doing over time and work under pressure. It is also tremendous fun! There were many outstanding individual performances and the whole production looked and sounded wonderful.

A huge thank you to everyone involved; our remarkable year 4 team of Teachers and Learning Support, parents, pupils from other year groups who helped with lines and sets and other staff who encouraged and supported. A great team performance!

We are very grateful to Mr. Pavitt who has filmed the performance and already created a couple of 'trailers' that are available on the school website.

We are looking forward to an informal Christmas Concert on Monday 18th December. 3:40pm—4:40pm where the Choir, Samba and Steel Pans will be performing. It would be lovely to see you there!

The children in year 6 were treated to a talk from Danny Barlow — a local resident, School Governor and good friend to the school — about his memories of World War 2. This was an interesting and useful end to their learning about life in Britain during World War 1 and 2. First-hand experience is always best!

Movie Night

A big 'thank you' in advance to our PTA who have worked so hard to prepare for the Movie Night tonight. This has become an annual event that is much loved by the children and raises lots of money that we can spend on them!

Some children have been upset that they have not purchased tickets by the cut-off date. A text was sent out as a final reminder that the opportunity to buy tickets was extended to Wednesday. Such events take a lot of organising and there is no room for last minute purchasing of tickets.

A reminder that the raffle will be drawn at the end. Please collect your child from the main entrance.

After School Clubs Spring Term

Watch out for the Clubs letter coming out next week. Places are limited on each activity so please ensure the reply is returned promptly. Mr. Thew and Miss Frisby provide an impressive range of clubs that are free to the children.

We encourage other organisations to use our facilities and run clubs here too.

New Forest Soccer are enrolling now for the Spring Term. The club develops skills and techniques and provides medals and prizes for achievement. You can book via the website below.

Indoor Cricket Coaching—January 2018

The Ashes series might not be going the way we would like and we want to ensure we have the cricketers to win them back in the future!

Bashley Rydal Cricket Club are running indoor coaching sessions for boys and girls from 5 to 13 years. The sessions are run by a level 4 coach and are a terrific way to develop confidence and skills before the season starts. Further details can be found on the club website
