### TESCO - Bags of Help

Some of you may have seen that we have a project in the current round of voting in the Tesco 'Bags of Help' scheme. Our project is called '**A Safe Place to Play**' and is based on developing the quad to provide an attractive and secure environment for our children to explore and play.

Tesco teamed up with Groundwork to launch its community funding scheme, which sees grants of up to **£4,000**, up to **£2,000** and **£1,000** raised from carrier bag sales in Tesco stores awarded to local community projects.

Voting is open in all Tesco stores throughout **January and February**. You can cast your vote using a token given to you at the check-out in store each time you shop.

Please, please help us by using Tesco and giving our project your vote.

### Lost property

We seem to have a lot of unclaimed lost property. On **Monday 8th January** we will display the items on a table in the playground. If any items are not collected they will be recycled.

### After School Clubs Spring Term

Our wide range of extra-curricular clubs will be starting next week from **Monday 8th January**. You will have received a text today informing you if your child was successful in getting a place on their chosen club. If you are unsure, please contact the school office.

There are limited places still available for some clubs. Again, contact the school office if you require further information.

### PLEASE REMEMBER....

The Playground is not supervised until 8:45am. Children should not be on the school site before then because:

They are unsupervised and therefore not safe if things go wrong.

It is a long time to be waiting before starting learning

Breakfast Club is available at a very reasonable price. Ask at the office or look on the website for details.

### Movie Night

What a fabulous time we had at the PTA Movie Night at the end of last term. The PTA raised a magnificent **£700** which will of course all be spent on your children!

Watch out for upcoming events....

## Top 10 Tips for Staying Safe Online

- 1) Don't post any personal information online – like your address, email address or mobile number.
- 2) Think carefully before posting pictures or videos of yourself. Once you've put a picture of yourself online most people can see it and may be able to download it, it's not just yours anymore.
- 3) Keep your privacy settings as high as possible
- 4) Never give out your passwords
- 5) Don't befriend people you don't know
- 6) Don't meet up with people you've met online. Speak to your parent or carer about people suggesting you do
- 7) Remember that not everyone online is who they say they are
- 8) Think carefully about what you say before you post something online
- 9) Respect other people's views, even if you don't agree with someone else's views doesn't mean you need to be rude
- 10) If you see something online that makes you feel uncomfortable, unsafe or worried: leave the website, turn off your computer if you want to and tell a trusted adult immediately.
