### Sporting Stars!

Our **Basketball** team enjoyed success this week in the New Forest Basketball competition held at Noadswood School. Mr. Thew runs our Basketball club for years 5 and 6 on Tuesday evenings and from that selected a squad to represent the school in the competition. The team gave a terrific account of themselves and made it all the way to the final before losing out to Abbotswood School.

It was wonderful to watch our **netballers** in action against Hordle

Walhampton School. The progress that the team have made over the last couple of years is phenomenal. Despite missing several players the team performed brilliantly with impressive movement, passing and team play.

We think sport is an essential part of a child's education. Though not everyone will represent the school, everyone will have the opportunity to participate in competitive sport. The learning this provides around healthy lifestyle, collaboration, communication, resilience and self awareness are skills for life.

**The Ashley Hub, Ashley Baptist Church, Tuesday 9:00am—11:00am**

**Come and join us for a chat, coffee and support.**

### LOST PROPERTY

The weather has thwarted us putting out the Lost Property on a table in the playground. We will be doing so this afternoon and again on Monday after school. ***Please remember to clearly label all clothing so it can easily be returned.***

### Year 4 Active Learning

As part of their learning about sound, year 4 invited Anne Bailey (Hearing Impairment Advisor for Hampshire) to talk to the children about the remarkable and intricate workings of the ear. The children have applied this knowledge to creating information

### Roadworks

**Thank you for your patience whilst the roadworks take place outside the school. We had not been made aware this was happening and I know it has caused some confusion.**

**Talking to your children about staying safe online.**
