## SATs WEEK

### (Statutory Assessment Tests)

Year 6 Children will be sitting their national assessment tests next week. The children are well prepared and have been working hard for them. Thank you to our Governors and staff who will be preparing breakfast for the children on the mornings of the tests. For those who have signed up please arrive at 8:20am via the office and head straight into the hall.

If your child is off school due to illness please remember to contact the school office on the first day of absence by 9:00am stating the reason for absence and to check the guidelines for how long your child should be kept off.

Please remember that children should not be entering the school site until **8:45am** at the earliest ready to start the day promptly at **9:00am**. We also have a number of pupils arriving late which has an impact on their learning.

Monday 21 to Friday 25 May 2018

## Walk to School Week 2018

**How can I help?**

- Walk with your child and discuss potential hazards such as driveways, junctions, parked cars and bends.
- Work out together the safest route – even if this involves a slightly longer journey.
- Let your child suggest places to cross and discuss their choice.
- See if they know and can use the Green Cross Code.

**I don't have time to walk!**

- Park the car some way from the school gates and walk the last part of the journey.
- Try to find time to walk with them once during the week.
- Your child will qualify for a certificate if either option is taken.

**What are the advantages of walking?**

- The chance to teach important road safety skills which cannot be taught in a car.
- The chance to learn about the local environment.
- A chance for a chat about the day.
- Less congestion at the school gate.
- A healthier way to start the day.

Your school is supporting 'WALK TO SCHOOL WEEK' from 21-25 May 2018
