

English

Narrative

Meet Bradley Chalkers, the main character in our class book, "There's a boy in the girls' bathroom." We shall be using him as a stimulus for quality narrative writing.

Next, we shall be going back in time to the Ancient Greeks where we shall read about famous Greek heroes. We shall be writing our own myths.

Art/Design Technology

Perspective

We shall look at Greek architecture and then develop their drawing skills considering perspective using a vanishing point. We will also be making a clay bust of Medusa.

Science

What forces things to move?

Through practical investigations, we will learn what forces are and their effects.

Arts Week

Linked with other topic areas, the children will experiment with various media to create compositions inspired by famous artists around a theme shared with the whole school.

Eureka!

French

We will be reading Bon appetite! Monsieur Lapin and looking at inserting an additional page to the text.

Maths

We will start the year focusing on place value and the value of each digit in a number including decimals. We will then be covering the four operations; addition, subtraction, multiplication and division. After lunch we will be keeping our skills sharp by practicing our number bonds to 10, 20 and 100 (and beyond).

R.E.

God Talk:

We shall explore our feelings about who God is and consider other faiths' interpretations. We will be visiting Ashley Baptist Church.

Magi:

We focus on the role of the Magi from the Christmas story.

History

Ancient Greeks:

We shall find out who the Ancient Greeks were and how they continue to influence our lives today. We visit Southampton Art Gallery as part of our study of the myths.
