

Ashley Junior School

Aspiration • Resilience • Respect • Responsibility

9th January 2019

Dear Year Three Parents/Carers,

Welcome back, we hope you have had a restful Christmas break. We would like to take this opportunity to inform you of the curriculum coverage for the Spring Term and we hope that the following information will enable you to provide support and encouragement for your child.

English

Writing will take place in all subject areas. Our topic will focus upon picture books, specifically the works of authors Oliver Jeffers and Anthony Browne.

Mathematics

As well as an emphasis on mental maths, main topics will include calculation strategies for the four main operations of addition, subtraction, multiplication and division.

PE and Games

PE will be on Friday, with an additional flexible session during the week. Please ensure that your child has appropriate kit in school every day. We recommend that children leave their kit in school during the week.

Home Learning

Spelling: Spelling & sentence work will be stuck in their yellow spelling books on Friday for testing the following Friday.

Reading: Children are expected to read daily and to use their Reading Journal to record their responses at least four times per week.

Maths: Mathematics will be set with appropriate learning tasks. The children will also be asked to practice and learn facts for their Maths Passport.

Your child should spend up to 30 minutes on home learning tasks. Please endeavour to provide your child with support and a suitable place to work.

We hope the above information will be of value to you. Thank you once more for your continued support, we feel so lucky to be in a position to display, celebrate and share fantastic home learning projects such as the robots the children brought in to school last term.

Yours faithfully,

The Year 3 Team
