

Ashley Junior School

Aspiration • Resilience • Respect • Responsibility

9th January 2019

Dear Year Five Parents/Carers,

We would like to take this opportunity to inform you of the curriculum coverage for the Spring Term (project plan overleaf). Attitude checks will be going out later this term, but if you have any concerns, please do not hesitate to contact us.

We hope that the following information will enable you to provide support and encouragement for your child.

Home Learning

Spelling: spellings, which are stuck into the yellow spelling books are handed out on a **Monday** for testing **the following Monday**. The expectation is that the children learn the spellings and sentences, showing written evidence of learning in their books.

Reading: children are expected to read daily and should make at least three or four good quality, detailed entries in their journals using a variety of the ideas from the front of the book. We expect the journals to be in school every day.

Maths home learning will include preparation for the Maths Passport as well as other activities such as Mathletics, which is set weekly.

Please endeavour to provide your child with support and a suitable place to work. Should the home learning pose any difficulties at home, please consider taking advantage of the homework club which runs after school on Wednesdays.

PE

PE will take place on Monday and Wednesday. Due to other school events, trips or bad weather there may be changes in the timetable, so we therefore ask you to ensure that your child has a correctly labelled PE kit in school all the time (in a named bag).

Celebratory Events

On Wednesday 13th February, you are invited to come into school at 9:00am to share the amazing writing the children will have done linked to The Highwayman poem in English.

Trips

Many of the children will be going to Osmington Bay for an action-packed week of team building and outdoor activities. Those who remain at school will also complete a special project.

Yours faithfully

Year 5 Team
