

English

We will start the term with a writing project on the narrative poem, The Highwayman. We will be looking at different poetic forms and writing our own river poems. We will do some topic linked non fiction writing (explanation texts and balanced arguments)

This term we will be studying a range of activities designed to increase the children's learning powers, particularly independence and collaboration.

History

Ancient River Civilisations

We shall learn about the importance of the River Nile and what everyday life was like for Ancient Egyptians. We will use different sources of evidence to find out more about the lives of people in the past, including other civilisations which were built up around a river.

We will place the civilisations on a timeline and look at other civilisations who shared their place in history.

A long time ago,
in a galaxy far,
far away

Art & DT

We will be using charcoal to draw a landscape picture, inspired by the narrative poem, "The Highwayman"

R.E.

How do different faiths move into the after life? Towards Easter, we will also look at the empty cross and its significance

French

We will be learning about describing places and giving directions through a song.

Residential Trip
Osmington Bay

Maths

We will be using our times tables to multiply and divide larger numbers using formal written methods. We will also learn about measures such as length, area and perimeter. We will also be learning about fractions, percentages and decimals and how they relate to each other.

Music

We will be continuing our exploration of dynamics, pitch and tempo.

Science

The Earth in Space

We will learn about our solar system, focusing on the movement of planet earth and the moon.
