

# Ashley Junior School

Aspiration • Resilience • Respect • Responsibility

9<sup>th</sup> January 2019

Dear Year Six Parents/Carers,

Happy Spring term! We would like to take this opportunity to inform you of the curriculum coverage for the Spring Term - project plan overleaf. We hope that the following information will enable you to provide support and encouragement for your child.

## English

Writing will take place in all subject areas. Opportunities will include developing a journalistic style, writing stories as well as studying different styles of poetry.

## Mathematics

As well as an emphasis on mental maths, main topics include work on place value, calculations, calculator work, measuring, shape and data handling. In addition, we will be preparing the children for the SATs. Your support in encouraging them through the use of Mathletics and revision tasks will be of great benefit.

## PE and Games

PE will be on Thursday, with an additional flexible session during the week. Please ensure that your child has appropriate kit in school every day. We recommend that children leave their kit in school during the week.

## Home Learning

**Spelling:** Spelling & sentence work will be stuck in their yellow spelling books on Friday for testing the following Friday.

**Reading:** Children are expected to read daily and to use their Reading Journal to record their responses at least four times per week.

**Maths:** Mathletics will be set with appropriate learning tasks. In addition there will be appropriate revision tasks set from time to time.

**Your child should spend up to 30 minutes on home-learning tasks.** Please endeavour to provide your child with support and a suitable place to work. We hope the above information will be of value to you.

**Trips** We are really looking forward to going to Marwell Zoo this term to support our learning about the rainforest. More information will follow shortly.

Yours faithfully,

The Year 6 Team
