Dear Year 4 Parents/Carers,

## Reading Helpers

The children have been working very hard since the start of the academic year in Year 4. We would very much appreciate volunteers to help read to ensure that all our children succeed in Year 4.

If you have spare time or you know any grandparents that enjoy reading, we would really welcome your support. The children would appreciate help with words that they find difficult to read or words that they are unfamiliar with. The link between competent reading and achievement in writing and speaking is strong; we would like all our children to exceed their own expectations and gain that important confidence ready for Year 5.

Below, we have outlined the times when the children will be available for reading to. Please tick any time slots that you are available and would be willing to listen to readers.

We have chosen morning and afternoon slots to make it more convenient for when children are dropped off and picked up.

Timings:                    9:00am – 10:30am                    2:45pm – 3:15pm

Thank you in advance for any support you can offer our brilliant, young readers.

Yours faithfully,

**Year 4 team**
