24th October 2019

Dear Parent/Carer

As a team, we would like to thank you for your support so far this year. Your child has had a half-term to settle into the routines and expectations of the school and is, hopefully sharing some of the fabulous learning opportunities the school has to offer. We would like to inform you about the many other learning opportunities that your child will return to in the next half-term. **Attached is the curriculum web** for our 'Rotten Romans' topic.

Roman Day- Thursday 14th November 2019

For the start of our 'Rotten Romans' topic this Autumn term, we have planned an exciting learning experience to enthuse the children. On **Thursday 14th November 2019** we will be having a Roman Day where the children will be able to make Roman artefacts, learn how to use Roman numerals and enjoy a Roman banquet. The children will be expected to come to school **dressed as a Roman civilian or soldier**.

Home Learning Project – Due date- Monday 4th November 2019

Your task is to learn about the Romans over half term and present your learning in a creative and imaginative way. You can select any area that interests you. For example: you might choose to make a mosaic, research the Roman army or what the Romans did for us? It's up to you- have fun with your learning! You can present your learning in many different forms: write an information text or a story; make a model; produce a collage; a piece of art; 3D model; write poems or plays; design a presentation on your computer; visit the library; make a video or audio presentation or visit places of interest with your family.

Yours faithfully

Year 3 Team
