

Ashley Junior School End of Key Stage SATs Data 2018

Ashley Junior School has a Resourced Provision for children with a Moderate Learning Difficulty. The Local Authority decide on the placement of the children who come from all areas of the west of the New Forest. These children have a cognitive barrier to learning and are unable to access the SATs assessments. In 2018 there were 10 children out of 67 who were unable to access the tests (14%).

<i>EXS = Expected Standard GDS = Greater Depth Standard</i>	Including R.P	Excluding R.P.	National Average	Progress Score
