6<sup>th</sup> February 2020

## **Year 3 Change of location for the Ancient Technology Trip – 12<sup>th</sup> March 2020**

Dear Parent/Carer,

As you know we have organised an educational visit to 'The Ancient Technology Centre' at Cranborne, Dorset on Thursday 12<sup>th</sup> March 2020 as part of our Stone Age topic.

To date we have received less than half the contributions in. The implications of not receiving enough contributions is that the trip may need to be cancelled and furthermore the school would have to pay a cancellation fee. The experts at the Technology Centre have offered to deliver their workshops onsite at AJS. As a result, the cost of the day has been reduced to **£9.20**.

The children will have the opportunity to sample life as pre-historic man, with activities such as textile weaving, tanning and handling artefacts from the Stone Age era.

As always, the contributions for the day still must be met in order for this to go ahead. We hope you appreciate that we have taken this opportunity for the workshops to be delivered onsite to provide the children with a wonderful learning opportunity as to keep the costs as low as possible. If you have already made a contribution could you please indicate on the form attached how you would like the difference in contribution refunded.

Due to the time of year, we ask children to bring a winter coat, hat, scarf and gloves as the children will be spending time outside. The day may be messy so we recommend wearing old clothes and shoes/trainers that you do not mind getting dirty.

Yours faithfully,

**Year 3 Team**
