

## Design Competition

We would like to give your **Reading Journals** a new front cover designed by you!

To enter the competition to have your design on the front covers of the Reading Journals all you need to do is fill an A4 page with a design then send your entries to [h.pounds@ajs.hants.sch.uk](mailto:h.pounds@ajs.hants.sch.uk) by the **15th may 2020**. You could photograph or scan your design to enable you to send it by email.

Your design will need to include the new name of the Journals: '**Reading River Record**' and you may want to consider these questions before you produce your design:

- **Lettering**- can the name (Reading River Record) be seen clearly?
- **Pictures**- what images will you use to illustrate your front cover design?
- **Colour**- will you use all colours, limit yourself to three or four or no colour?

I am looking forward to seeing all of your creative entries!

Mrs Pounds
