Task	<p>Read/listen/learn the poem 'The sea' by James Reeves. Either perform it to an audience or write a review highlighting the parts you particularly liked.</p> 	<p>Research ten animals that live in the ocean. Find the averages for the following categories: Average weight (kg/g) Average length (m/cm) Average age they live till (Years/months)</p> 	<p>Watch the RNLI water safety video. RNLI's Water Safety Team explains why it's important to 'Stop and Think' around water. Create a booklet or poster to explain to someone else how to be safe near water.</p> 														
You could extend this by ...	<p>Create your own poem about the sea or an underwater animal.</p> 	<p style="text-align: center;">Top Trumps</p> <p>Use the above headings and some of your own to make a set of top trump cards for those animals. Example headings you could add in: intelligence, cuteness, danger. Then play your game!</p>  <table border="1" style="font-size: small;"> <tr><th colspan="2">COMMON SEAL</th></tr> <tr><td colspan="2">How big?</td></tr> <tr><td>Stat 1</td><td>185</td></tr> <tr><td>Defences</td><td>12</td></tr> <tr><td>Under Threat</td><td>1</td></tr> <tr><td>Depth</td><td>78</td></tr> <tr><td>Freaky Factor</td><td>4</td></tr> </table>	COMMON SEAL		How big?
