Thank you to those of you who completed our questionnaire on the learning provision during lockdown—it was very helpful. There were many complimentary comments and positive remarks and there were some criticisms that were, I think, in the main valid and that we had already identified as something to work on. We are aware that:

- Future remote provision needs to ensure there is new teaching to ensure children progress
- Children will need more feedback and contact with the teacher

Our training on Monday is solely for this purpose. We want to ensure that children are working on the same objectives as they would if they were in school and that they are supported to continue to achieve all they can.

School Closure

A reminder that we are closed for staff training on MONDAY 28TH SEPTEMBER

We are working on developing an online learning platform to support remote learning should it be needed.

AJS Extra is open on this day should you need childcare.

Attached is a simple chart that explains what happens if staff or children have suspected or confirmed cases of Covid-19, and what to do should a family member have a suspected case. We hope it is helpful.

Parent consultation telephone bookings are live as of today. Please book via your child's online scopy account or contact the school office. This is an opportunity to discuss how your child has settled and share any concerns or celebrations!

The change to children coming to school in their P.E. kit on the days they have P.E. has been very successful.

Children can wear tracksuit bottoms over shorts if they wish in the cold weather.

Could you please make sure your child is wearing their school sweatshirt over the top of their P.E. T-shirt. THANK YOU!

Can I please remind you of the following from our prospectus:

Hairstyles:

- Pupils should **avoid extremes** of hairstyles and hair should be grade 2 or above in length and not have patterns or ridges shaved into it.
- Children are expected to retain their **natural** hair colour. Hair braids and extensions are **NOT** permitted. If fitted during a holiday period, the braids should be removed before the beginning of the new term.
- **Hair accessories** should be simple and minimal.
- **Long hair** must be tied back – especially for PE and Games

THANK YOU

HC3S Meal price increase

School meals provide a nutritious balanced diet with plenty of choice from a range of menus to suit each school. Menus also adhere to the Hyperactive Children's Support Group's recommendations to remove over 70 additives and colourings that could affect children's behaviour. However, a small increase of 10 pence in the price of a school meal has been agreed by Hampshire County Council, to come into effect from November 2020.
