

## English

We will be using different Egyptian themed texts to explore vocabulary to create diary extracts, character descriptions, non-fiction and persuasive texts.

## Science

Liquids and Solids and how to separate them.

## History

### Ancient River Civilisations

We shall learn about the importance of the River Nile and what everyday life was like for Ancient Egyptians. We will use different sources of evidence to find out more about the lives of people in the past, including other civilisations which were built up around a river.

## PSHE

What makes up a person's identity?

## Geography

Exploring the continent of Africa compared to other continents.

What Longitude and Latitude is and what they mean.

Walk like an  
Ancient  
Egyptian!

Year 5  
Autumn Term

## Maths

We will start the year focusing on place value and the value of each digit in a number including decimals. We will then be covering the four operations;

## Computing

Internet research and algorithms

Arts  
week

## R.E.

### God Talk:

We shall explore our feelings about who God is and consider other faiths' interpretations.

### Magi:

We focus on the role of the Magi from the Christmas story.

## French

We will be learning about describing places and giving directions through a song.
