4<sup>th</sup> November 2020

Dear Parent/Carer,

## Re: Year 6 visit to Bovington Tank Museum

We are thrilled to inform you that the visit to Bovington Tank Museum can go ahead! The Museum have been informed by the Government that they are allowed to run school visits during the lockdown period.

**This means that we will be the only people in the museum apart from the staff, making it even safer.** There are some special measures:

- Masks have to be worn on the coach
- Masks have to be worn by the children when they enter the First World War tank
- Adults have to wear a mask throughout the day
- The gift shop will not be open

Children will need:

- School uniform
- A healthy packed lunch – no fizzy or energy drinks
- Face Mask
- Coat

Please make sure your child arrives at school for 8:30am via their allocated entrance.

**Osprey Class      Reception entrance**  
**Merlin Class      Playground entrance**

We will be leaving school promptly at **8:45am**. Classes will travel on separate coaches to maintain their bubbles, we aim to return to school for 3:30pm.

All necessary risk assessments have been completed by the school, coach company and the Museum to ensure everyone's safety.

Thank you to those who have completed the annual off-site consent. If you are unsure if you have completed this please click the following link which will take you to the necessary form. <https://tinyurl.com/yydc97m8> **It is essential this is completed by Friday 6<sup>th</sup> November.**

**I remind you that the visit is progressing thanks to a generous donation from a parent. You can still make a contribution if you have not yet done so.**

Yours faithfully,

**IAN RIX**  
**Headteacher**
