

## Ashley Junior School

### Physical Education and Sport – The Sports Premium

We have a great sporting tradition at Ashley Junior School. Our facilities and grounds lend themselves to a quality provision and we do all we can to ensure that children are provided with active, competitive and challenging sporting opportunities. Our main aim is participation and ensuring all children make the most of the opportunities presented.

Our ‘Fit for Learning’ award scheme encourages and rewards participation and involvement in sport and P.E. Our ‘Sports Ambassadors’ are equipped and coached to lead break-time activities for their peers. Both of these are curtailed due to the pandemic, though we hope to resume as soon as possible.

We are currently embarking on a significant development of the school site that will see:

- The development of a hard court sports area to include netball, tennis, basketball
- A new playground providing a range of adventure play and challenging climbing equipment
- Active play in the quad area

Our P.E. Funding allocation for **2020-2021** is **£18,563**. We are spending it on the following:
