Aspiration • Resilience • Respect • Responsibility

10<sup>th</sup> December 2020

Dear Parent/Carer,

## Year 3 Stone Age Day – Friday 1<sup>st</sup> February 2021

In year 3, we will be learning about the Stone Age as part of our history topic. We have planned an exciting day of learning experiences to engage the children. One of which is a fantastic travelling theatre company that will be coming into school to perform a play based on the Stone Age. It will be an interactive experience that will involve the children in discussions with the actors to further their understanding and enjoyment of their Stone Age study.

The description of the play from the **Hobgoblin Theatre Company**:

### **Welcome to Prehistoric Park!**

**Join the animatronics at the opening of the world's most technologically advanced theme park.**

**Hunt like Stone Age man, trade with Bronze Age villagers and hang out with some Celts. What could possibly go wrong?**

**Sabotage, questionable disguises and NO dinosaurs in Hobgoblin's latest KS2 curriculum-based play that will get your kids laughing and exploring the topic of Prehistoric Britain.**

It will support and enrich the learning that the children will have been immersed in during the Spring term and will also act as a platform for some more exciting learning opportunities before the half term ends. In order to run this exciting event, we will require a contribution of £9.00 which can be made via your child's online scopay account by **Friday 15<sup>th</sup> January 2021**. Without your support the visit may need to be cancelled.

*N.B. Visitors will always follow our risk assessments, official guidance from the Government and the NHS to minimise the spread of Covid-19 and protect the welfare of our children and staff.*

Yours faithfully

**Year 3 Team**
