Year 6 production of Scheherazade 2022

Monday 11th July afternoon performance

Tuesday 12th July evening performance

We hope your children are excited and diligently learning their parts and the songs for this year's production of Scheherazade.

All the children have a part to play in the end of year performance. Your support in providing costumes and props would be greatly appreciated. The play is based on the Arabian Nights so all costumes will need to have a Middle Eastern feel. The dress rehearsal is on the 7th of July so all costumes will need to be in school by the Monday 4th July at the latest.
